

Scroll down for a Vet Plaza update!

The Downtown Flyer January 2016

Veterans' Plaza Update

Progress is being made at the Veterans' Plaza. The final pavers have been installed making the paver memorial area almost complete. The remaining pavers will be sealed once the weather is a bit warmer. Next, the plaques will be hung honoring the heroes of Kay County. Main Street is thrilled about the progress. A dedication date has been set for Saturday, April 2nd at 10:00 a.m. Further plans will be shared soon!

New Light Poles Downtown

It's awards season here at Main Street. We're not talking Oscars or Golden Globes, but the annual Oklahoma Main Street Awards. Once a year, managers are given an opportunity to really brag about all the fantastic things happening in their downtown. We're submitting 14 awards this year and hoping to bring home some nominations. Of particular pride among those awards is the newly redone light poles downtown. Hats off to the City for powder coating and updating the old light poles in such a nice new fashion!!

Vet Plaza Donation

Standley Systems donated \$1,000 to the Veterans' Memorial Plaza at their Ribbon Cutting Ceremony on

Thursday, January 14. Pictured left to right are Greg Elliott, Standley Systems CEO; Mark Riley, PCMS Board President; Rhonda Skrapke, PCMS Board member; Chelsea McConnell, PCMS Director; Natalie Prather, PCMS Board Member; Dolley Rolland, PCMS Board Member; and Tom Fender, Standley Systems Account Manager.

2015 Volunteer Hours

In 2015, Main Street volunteers put in 3,638 hours of work.

That's nearly 152 days of work these folks put in helping out with events and projects that Main Street organizes.

We are so grateful for each and every volunteer we have and for their dedication to making Ponca City a better place to live and work. Pictured to the right are Main Street volunteers stuffing bags with candy for Goblins on Grand.

That event alone takes almost 1,000 hours to plan and execute. Click the link below if you'd like to get more involved this year!
